

# Book in a couple of minutes

The full VisiTime client journey — from finding a place near you to the visit and getting there.

- 1 Find a place and a service
- 2 Book a convenient time
- 3 Show up and pay on the spot

## SEARCH

1

# Find a place near you

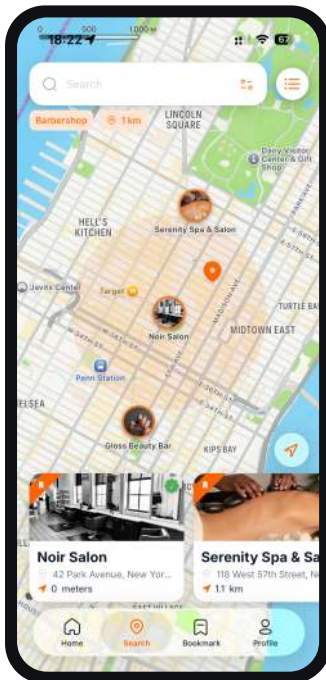

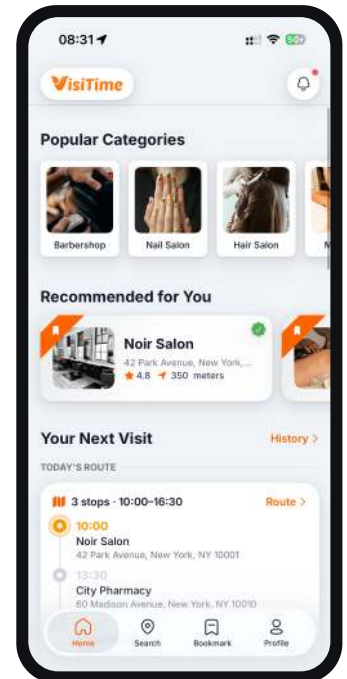

Open the app — categories and places near you are already suggested. Or search on the map.

1

## HOME SCREEN

### Start on the home screen

Popular categories, places nearby and personal recommendations. Your next visit and the day's route are here too.

2

## MAP

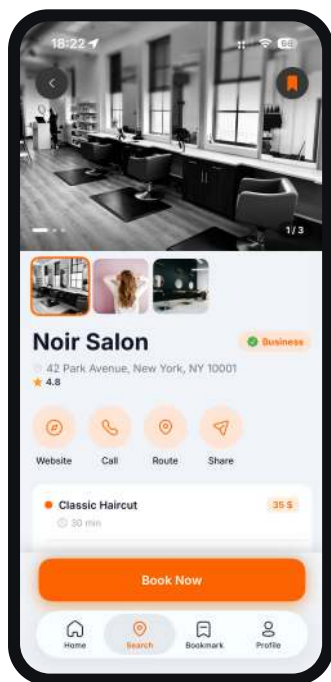

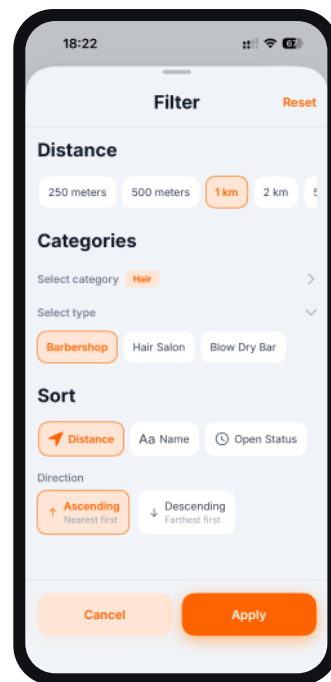

### See places on the map

Search by name or service. Pins show salons, barbershops and specialists nearby — with rating and distance.

### 3 FILTER

## Filter to your needs

Radius, category and service type, sort by distance, name or open status. Find exactly what you need.

### 4 PLACE

## Explore the place, work and reviews

Photos of work, services with prices and duration, the address on the map and real client reviews. Everything to choose with confidence.

- Portfolio and salon photos
- Services, prices, duration
- Reviews and rating

2

## BOOKING

## Book in 3 steps

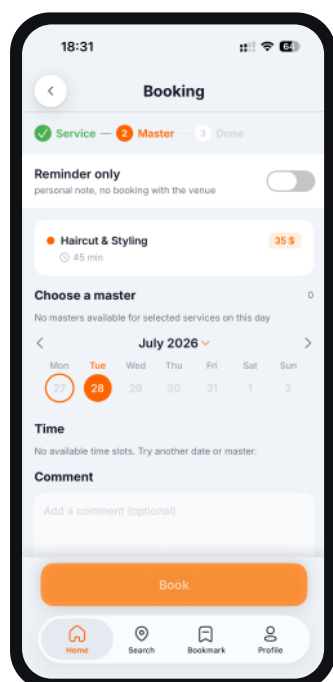

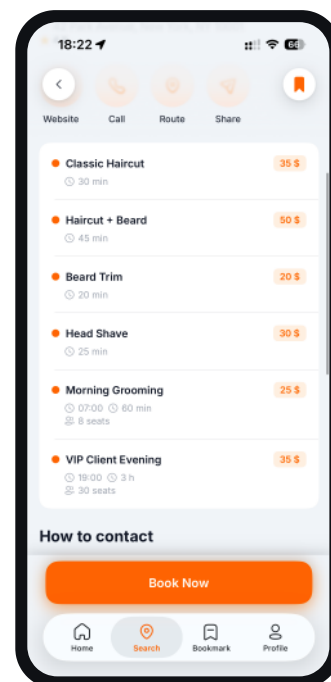

Pick a service, a specialist and a convenient time — confirmation arrives instantly.

5

## SERVICE

### Choose a service

Select one or several services — the app adds up the total duration and price.

6

## SPECIALIST &amp; TIME

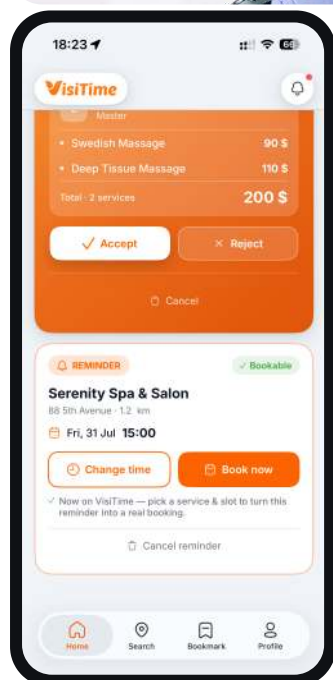

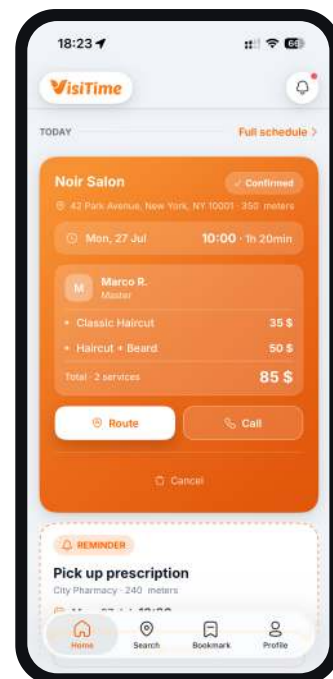

### Pick a specialist and slot

Choose a specialist and a free time slot in the calendar. Leave a comment if needed.

## 7 CONFIRMATION

### Get your confirmation

Booking confirmed — a visit card with the address, specialist and the services. You pay on the spot during the visit.

## 8 REMINDERS

### Never miss a visit

VisiTime reminds you in advance. If the salon proposes a new time — accept or decline in one tap.

3

VISIT

## Get there and come back

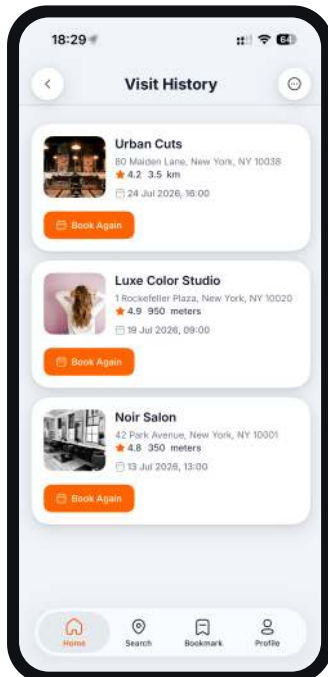

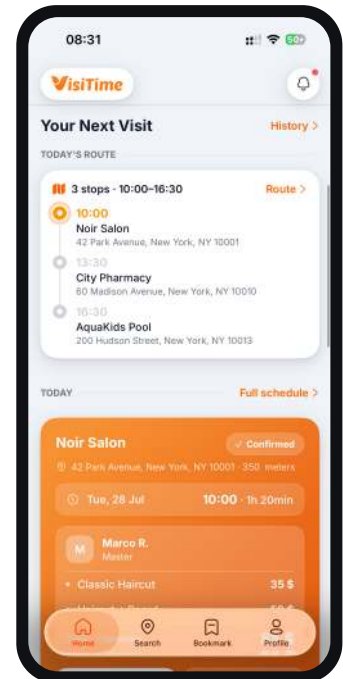

Route to the place, visit history and booking in one tap.

9

ROUTE

## Get to the place

"Your next visit" shows the day's route with all stops — build the path to the salon right from the app.

10

HISTORY

## Come back in one tap

All past visits at hand. Liked it — "Book again" repeats the booking with the same specialist.
